Discussion Notes

Item #1

- Callum
 - Worked the header search bar and the search page with the results
 - Mostly been a learning experience for front end testing and react props. Currently the blocker that he is struggling with pagination of the businesses.
 - Either find a way to paginate the businesses on front end or help with other tasks
- Matt
 - Worked on Booking class and User tests
 - Blocked on spring boot security
 - Need to complete session handling and booking front end.
- Adrian
 - Working on the business page and created API for business times. Added an edit business page.
 - Blockers are stuff that he is unsure about and just doesn't need to do.
 - Needs to get the workers get working
- Giacomo
 - Completed a patch for a worker, worked on managing times and created a front end for worker times
 - Worker services

- Blocker is how services will be assigned to the worker.
- Sov
 - Working log in register page
 - Blocked on props with react
 - JsonWebToken handling regarding the session is a current blocker
